- The National Chinese May 1st Labor Award.

Human Demodex Causes Rosacea

Human Demodex Parasite

Human Demodex

Human Demodex is a parasite that lives in the human hair follicle. It may be causing many or all of your skin problems. The FaceDoctor family of products is formulated to stop Human Demodex and its effects on your skin.

FaceSurgeon^{II} Medicated Soap

Formulated after 30 years of research. Use with FaceDoctor Soap for faster and greater results.

Hair & Scalp Doctor^{Rx} Antibacterial Shampoo

For itchy, flaky scalp, fine and weak hair. The shampoo promotes healthy, clean and lustrous hair.

FaceDoctor^{Rx} Beauty Cream

Developed to complement FaceDoctor Soap, this cream acts as a moisturizer and has the same active ingredient found in the soap, so it's like having the treatment on your face all day.

Slim Surgeon^I Slimming Cream

Developed from pure natural plants after many years of research. This preparation is effective in giving you a well-proportional figure. The cream goes deeply into the skin and is absorbed to promote the dissolution of fat. This product is extremely effective for breaking down cellulite.
