An Automotive Anti-Theft Device Never Outsmarted- foils even the professionals
The **RAVELCO Anti-Theft Device** has an unparalleled track record of success. No other auto security device even comes close. For over **27 years** and over **3 million installations** worldwide- **NOT ONE** vehicle equipped with the **RAVELCO** has **EVER** been Stolen.

RAVELCO FEATURES

Not one vehicle has ever been reported stolen using the **RAVELCO** since its debut in **1976**. More than **3 Million** installations in the United States, Canada, Europe, Mexico & South America. It cannot be **hot wired**, **bypassed**, or **penetrated**- unlike other anti-theft devices. Fits **BOTH** Gasoline and Diesel engines - Electronic or Conventional Ignitions. **Only your Ignition Key** and the **RAVELCO Plug** will allow your vehicle to start. Most insurance companies will give 10% to 25% discount on your comprehensive rates. Absolutely no equipment failures... No tow-ins, no breakdowns.

LIFETIME GUARANTEE for the original owner.

Street Tested and Time Proven for over **27 Years** and **3 million** installations!
Now locally available in the Tri-State Area.

Foils the Joyrider & EVEN the Professionals Car Thief.

Don't let your vehicle be next... Get the RAVELCO and Pull the Plug on Car Theft!
No Bells or Whistles... No Bull or Hype... No Promises and No Lies... Just Results!
