

## Certification Seminar – July 16-18 – Marblehead MA

TAGteach International in cooperation with A Dancer's Dream is pleased to offer a Level I TAGteach™ certification seminar in lovely and historic Marblehead Massachusetts. Participants will learn the basics of TAGteach™ and will learn how to apply the concepts to any field of teaching or coaching.

As a TAGteach™ Certified teacher, you will become part of a new movement in educational excellence. Only in conjunction with this training and certification from TAGteach™, can coaches and educators affiliate themselves with the TAGteach™ method of training. Taking this step demonstrates to your students and their parents that you are at the forefront of education and positive reinforcement and are dedicated to emotional and physical well-being and educating the whole child.

### What will you learn?

- ❖ how to teach without correction
- ❖ how to use a clicker to tag correct performance and create intense focus
- ❖ how to create and use tagging drills to excite students and accelerate learning
- ❖ how to break down skills, create tag points and shape top performance quickly
- ❖ how to design and use peer tagging programs
- ❖ tag session management skills

### TAG don't NAG™

Peer tagging with dance students

*TAG Teaching is the most world-changing application I have ever seen. Bar none.*

*The kids who are being tagged are learning to learn -- and learning to teach -- in a purely reinforcing manner. No nagging. No yelling. Focus. Motivation. Fun.*

*TAGteach is wonderful for children. They learn so much faster, they are spared the emotional downside of endless corrections, they learn empathy and partnership as they tag each other, and learning through reinforcement is physiologically an elating, joyful experience. What a great way to learn* Karen Pryor – Behavioral Scientist and best-selling author – Don't Shoot the Dog – The new art of teaching and training
