The Extended Warranty Specialists

This Platinum Warranty brochure is not to be used as a legal contract.
It is simply informational literature outlining Platinum Warranty's benefits.
Please review the enclosed contracts for underwriting guidelines.

When your vehicle requires service or repairs, you will no longer be at the mercy of unfair repair practices and costs. The new Platinum Service Advisor gives you peace of mind, offering you certified mechanics and vital information to ensure fair business practices.

Necessary Repairs at a Fair Price

Whether you are a “do it yourselfer”, have a trusted repair facility or rely on the dealership where you purchased your vehicle, the Platinum Service Advisor can ensure that your time and money is well spent on needed repairs, at a fair price.

Information is Power

For the cost of dinner and a movie for a family of four, the Platinum Service Advisor gives you **unlimited access** to:

- ~ Complete repair guide data
- ~ Confidential recall data and campaigns
- ~ Technical service bulletins
- ~ Real part costs and repair times
- ~ Repair diagrams
- ~ Manufacturer’s suggested maintenance schedules

How the Platinum Service Advisor Works

It’s simple! As a member of the Platinum Service Advisor, we provide you with the following information on your vehicle upon payment of the low annual fee:

- ~ A complete title history
- ~ A repair history
- ~ A complete technical overview

When your vehicle requires repairs, or typical maintenance tasks e.g. oil change, radiator flush, tire rotation, etc., simply call the Platinum Service Advisor Hotline.

Not only can we direct you to certified mechanics in your area, but once the repair is diagnosed, our Master Technicians will advise you of

- ~ What it should cost you in terms of parts and labor
- ~ Any recall information available
- ~ Their review of your repair diagnosis

It’s Your Money

Don’t be one of thousands of Americans who spend more than \$20 billion on unnecessary and over-priced vehicle repairs. Our data shows that on average you can save up to \$400 for a major repair on your vehicle when you know the facts first!
