

OverTheMark.com Launches Marketing Services

For Immediate Release

Wheatfield, IN June 2, 2004 -- Over The Mark, LLC is pleased to announce their launch of OverTheMark.com, SEMRank.com and SEMROI.com. Your expert sources for search engine optimization, online marketing tips, Internet marketing, public relations, affiliate marketing and management, as well as offline marketing.

Tanya Martin, Director of Internet Marketing at OverTheMark.com is a full time SEO and Microsoft Certified Systems Engineer with six years experience on the Internet, providing SEO services and affiliate management for online businesses. Her SEO/SEM skill, combined with the marketing power of Debbie Bonventre, Director of Business Development, insures that you will receive the highest possible service. Over The Mark provides SEO, public relations, writing copy, or whatever your business needs may be, to insure the highest possible exposure and profits.

Debbie Bonventre, Director of Business Development, is a Microsoft Certified Systems Engineer with over 15 years experience in sales, marketing and business development. Her ability to make contacts, organize deals and finalize contracts completes this marketing team.

SEMRank.com offers free tutorials, articles and SEO tools (including Tanya's Sloogle.com Site Listing Pro Freeware and PR Peek Freeware), and more. Whether your business is big or small, long time player or just launching, OverTheMark.com has something for you.
