

THE STANDARD INSIDER REPORT ON MOBILE DATA SERVICES

The Push to Push-to-Talk

Table of Contents

Executive Summary	3
The Technology Advisor	5
What's in It for You?	5
Introduction to Push-to-Talk	6
The Technology Advisor in Brief	7
PoC Service Latencies	9
The Standard Solution	12
Groups and Invitations: Are You Available?	13
Session and Media Descriptions	16
IMS/MMD – Using an Existing Infrastructure	17
The Topologies of One and Many	17
Setting the Stage for Sessions and Groups	19
Advanced Features	20
What is Required from PoC	21
Other Solution Directions	23
Advantages and Challenges of Solutions and Services	25
Supporting Services	27
Open Issues	30
Technology Advisor for Operators	31
Technology Advisor for Vendors	32
Technology Advisor for VCs	33
Concluding Remarks	33
The Business Advisor	34
What's in It for You?	34
Companies around the PoC Scene	35
Motorola	35
Nokia	36
Ericsson	37
Siemens	38
Kodiak Networks	38
Sonim Technologies	39
Fastmobile	40
QUALCOMM	41
Togabi Technologies	42
Mobile Tornado	42
Other Companies in the Arena	43
Companies Providing Supporting Services	44

Solution Deployment Matrix	45
Companies Linkage Map	47
Companies Closing Remarks	48
Business Opportunity Locator	48
Media Transcoding	49
Connectivity with CS Networks	49
SIP/IP Core with IMS Functionality	50
End-to-End Encryption	51
Spam Control	51
Recording, Retrieving, Searching and Editing	52
Lawful Interception with Voice Recognition	53
Interoperability Gateways	53
Protecting Rights – Defending Wrongs	54
Presence by Buddha, Availability by PoC	54
To Charge or to Charge Even More: That is the Question!	55
The Quest for QoS – Quality of... What Was That?	55
Systems under ECG	56
Yes, I Could Use Viagra – But How Did They Know?	56
Sex, Gambling, and Rock & Roll	57
You See My Friend... Where Was I?	57
The Dove with the Olive Branch in Its Beak	58
Wherever I Lay My Hat That's My Home	58
When There Is No Clue, Glue	59
Applications	59
The PoC Service Success Life Cycle	60
The 4-Factor Model	60
The Model Applied to PoC	64
InsiderMaps™	67

Tell Me Who You Are 72

Interviewing Gaby Lenhart – The OMA PoC Chair.....	72
