

# ★ Warranty

U.S. and Canada only

Colours warrants all rigid hardware (welded parts, machined mounts and brackets) for the lifetime of the originally registered owner. In the event an item is discontinued, it is the owner's responsibility to replace or change the rigid hardware.

The front wheels and rear tires are warranted against defects and workmanship for a period of ninety (90) days from the day of delivery.

Other parts and equipment are warranted for a period of one (1) year from the day of delivery, against defects in material and workmanship.

Colours will have the right, on all claims, to require that all parts be shipped, prepaid to Colours, by the claimant, for replacement or repair. In the event that the parts are found to be defective, Colours will determine whether the parts will be replaced, repaired or if a credit shall be issued. This warranty does not include costs for transportation, shipping or labor for removal or reinstallation. Colours will invoice for any expenses incurred if it is determined that the part or parts are found not to be defective or otherwise not found to be defective under the terms of this warranty.

Notwithstanding the above limited warranty, Colours will have no liability whatsoever, if any defect in a product is found to have resulted from improper storage, use, or service of the component. If Colours opinion is that any components have been installed incorrectly, misused or stored improperly, no warranty obligation will be available to the claimant.

Colours does not warrant the merchantability or fitness for any particular purpose of its components and does not make any warranty, express or implied, other than the limited warranty contained herein.

In the event a warranty issue arises, Colours advises you to first contact your authorized Colours dealer, to provide available solutions to the problem.

This warranty is valid only for the originally registered owner.

Except where prohibited by law, this limited warranty represents the total agreement between you and Colours for any liability that may arise from a Colours manufactured component.

# CAPTAIN COLOURS

Have you ever met a wheelchair super hero?  
Do you know what he looks like?

Children and families around the world have been calling for **Captain Colours**. Born in an outer galaxy, **Captain Colours** has traveled to Earth to promote equality and human rights for all.

By day **Captain Colours** is **Steel Colours**, a Fourth grade student at **Little Dipper Elementary School**. Along with his trusty companion via his wheelchair **Chump** and his loyal sister **Krypto**, **Captain Colours** travels lightning speeds around the universe to help children in need.

## ★ Chump

Born on the rev **Chump** met **Captain Colours** during a routine mission to **Zizanium**. Vowing never to leave **Captain Colours** side, **Chump** has the simplicity, durability and strength to take on any evil villain of the galaxy. Mix this up with a lovable quirky personality, and **Chump** keeps the universe rotating on warp speed.

“Slam dunk!”

### Adjustability

With its effortless rear seat height, camber, backrest and footrest adjustability, **Chump** can transform itself into any endless configuration needed to help **Captain Colours**. This could be a routine mission patrolling the universe or space hero alert to save the world. Match this up with the **Colours** caster housing assembly and you will be able to perfectly align the front end of the wheelchair even while completely changing the front caster position. Who ever knew that changing your space ship could be this easy.

### Compact Space Age Design

**Chump** is equipped with a contoured saddle frame design that allows easy compact storage in any universal space ship. From now on parents across the galaxy will be able to transport their little aliens or super heroes without worrying about space.

### Growth Program

What makes a little **Chump** grow? Space age milk of course.

Packed with Vitamin D and Mars water, every **Chump** is required to have its daily intake of these nutrients to grow up strong. Like its **Little Dipper** counterpart, **Chump** receives a complete makeover every time you apply the **GROWTH PROGRAM**. No worries!! Remember it is offered for the lifetime of your little **Chump**.

"Let's kick it into super hero speed!"

# ★ Krypto

**KA-BOOM** was heard around the uni when **Krypto** was born. And **KA-WC** what you will say when you see **Krypto**. Remember super heroes never settle for anything but the best. With its infinite positioning feature you can achieve and create a unique super hero custom fit. Created by the universe to have adjustable width, depth, front seat height, rear seat height and center of gravity the **Krypto** also has a space age lightweight capacity to help fight evil galaxy villains.

## Adjustability

The creators of super heroes around the galaxy asked **Colours** to find the ultimate space hero that could fit any unique positioning. When we found **Krypto** on the planet **Zephyrus** we knew we found the answer. With its ultra lightweight frame design and its infinite positioning **Krypto** will meet any unique custom fit needed by the universe. Who knew that you could have width and depth adjustability on a lightweight wheelchair frame? With adjustability built into the front seat height, rear seat height and center of gravity, could **Krypto** offer anything more? How about three different types of footrests to match any space travelers unique fit.

# ★ Little Dipper

The **Little Dipper** can provide the safety and durability that you rely on for your little super heroes. Match this with an unbelievable price that was created in another galaxy, and you both have a wheelchair that is not only astronomically designed in an outer galaxy **alloy zizanium** for strength, but is also priced right not to break your piggy bank. Self-confidence is one of the characteristics that **Captain Colours** helps to instill in children around the world. The **Little Dipper wheelchair** can help relieve any concerns that your child might have while conquering the evil villains lurking on the playground.

## Adjustability

So your child is called to super hero duty. The **Little Dipper** custom close fit body design and dual axle receivers will allow your child to travel at **warp speed down the basketball court** and still make it through their space ship door.

## Lightweight

Don't be fooled by evil villains. The **Little Dipper** is one of the lightest wheelchairs in the universe. With its lightweight outer **space alloy zizanium** this wheelchair can transport your child to far away galaxies.

## Locking Mechanism

**Krypto** is specially designed with a new angle adjustable backrest locking mechanism that will position and hold any space hero during lift off and galaxy travel.

## Growth Program

With all of its adjustability would you need to grow the **Krypto**? Of course you do! Even super heroes like **Krypto** grow up in the universe. With its space age custom fit you can continue to grow your space travelers **Krypto** to the end of time. And like its space friends **Little Dipper** and **Chump, the Krypto Growth Program** is equipped with limitless growth and no hidden cost.

## Growth Program

Every space fighting super hero needs a new suit once and a while. **Colours** stands by our **LIMITLESS GROWTH AND NO HIDDEN FEES growth program** to keep the universe continually safe for the lifetime of your little super hero. Specifically designed by the **Captain Colours Team**, every custom feature needed was taken into consideration in designing our **Growth Kit**. Your little orbitizer receive a new wheelchair frame, but they will also find new up footrest, rigid backrest, custom handle space necessities needed to grow.

"Super cool!"

# ★ Accessories

**Rigid Removable Side Guards**  
Abs plastic or zirconium for space suit protection and easy space ship transfers.

**Rigid Side Guards**  
Abs plastic or zirconium for space uniform protection.

**Anti-tippers**  
Training wheels for space heroes training – quick release for that added support and assurance.
