Poll shows almost 50% of respondents prefer to make up with sex

An informal poll recently conducted by aLoveLinksPlus.com asking "You've had a fight with your partner and now it's time to make up. Do you..." showed that 43% of respondents would make up with sex with their partners.

(PRWEB) April 12 2005 -- "You've had a fight with your partner and now it's time to make up. Do you... (1) Give a gift (2) Make up with sex (3) Apologize only (4) All of these" was recently asked to the visitors of <http://www.aLoveLinksPlus.com>, an advice and dating portal website.

"Surprisingly over 40% of the people that answered this 'Quick Poll' told us that they make up only with sex after having a fight with their partner", reported Robert Lee, owner of aLoveLinksPlus.com.

"This Quick Poll was one of the more intuitive questions since the answers were quite close to what we expected" Mr. Lee continued to explain.

Quick polls are open to all visitors to aLoveLinksPlus.com and encompass a wide variety of subjects. Although they are not scientifically based "they do offer a fun component to online activity" said Mr. Lee.

Complete results to the beginning of April 2005 are: (1) Give a gift 3% (2) Make up with sex 43% (3) Apologize only 22% (4) All of these 33%.
