

iGames and LTB Audio Systems to Bring Game Center Action to E³ with Kornelia 2 DOOM 3 Competition; Exclusive Games Premieres, May 17-20

Booth Kentia 7604 Will Be the Place to Test Your Skills in 3-Day Tournament, Featuring Top PC Gamer and #1 Ranked Female Quake Player Kornelia

MOUNTAIN VIEW, CA, **April 25, 2005**—iGames, the world’s leading game center organization, and LTB Audio Systems, the leading maker of True 5.1 Surround Sound headphones, today announced that they will be bringing the competitive spirit of game centers to the Electronic Entertainment Expo (E³), May 17-20, with a host of special competitions. These events will include the Kornelia Challenge 2, an exclusive *DOOM 3* tournament that will pit show-goers against Kornelia, a top-seeded PC gamer and the world’s #1 ranked female *Quake* player, in addition to exclusive competitions featuring VU Games’ *FlatOut* on PC and Novalogic’s *Delta Force: Black Hawk Down* on Xbox.
