FLORIDA CITY TO EMBRACE ONE OF ITS OWN

Noted author, Tawan Chester, visits her hometown of Jacksonville, Florida for the release of her latest book "An Intimate Walk – The Ultimate Relationship."

Jacksonville, FL: "An Intimate Walk," a new book by Tawan Chester, creates for its readers the ultimate relationship – a close spiritual and eternal bond with God the Father – and the natural covenant blessings that it brings.

"In our world today, we are constantly being bombarded with negative energies and stressful situations, by getting in touch with our spiritual comforter we can find a living state of peace," says Chester. Her other titles include: "When Nobody Sparks a Paradigm Shift" and "Raising Slaves." "Through 'An Intimate Walk,' people can discover and hone the ability to hear the voice of God, just as I did at one point in my life." You will eliminate down times or instances when God isn't taking your calls or answering your prayer by learning to commune with Him.

Chester has been hearing the voice of the Lord since the age of nine, and her experience and constant spiritual connection have been distilled into "An Intimate Walk." Published by Dumouriez Publishing, where Chester is head of operations, "An Intimate Walk" creates a lifeline for its readers. The schedule release date for this highly sought after book is July 2005. It will be available in Jacksonville, FL, Virginia Beach, VA and online at www.intimatewalk.com, www.amazon.com, www.justbookz.com, and www.capalliance.org, and www.dpublishing1.com.

From an "Intimate Walk," readers will learn quick, easy steps to help locate and destroy factors that prevent miracles from occurring in their daily lives. The book helps readers open direct lines of communication with God, become a magnet for His blessings, open avenues of prosperity, improve interpersonal relationships, and use the power of thought to reshape even the most desperate of lives.

"An Intimate Walk" has already come in for some praise. Bishop Henry Mitchell Jr., of the Good Samaritan Church of San Diego, CA, said: "I know that if we have a relationship as written in 'An Intimate Walk,' it is possible to have a Christ-centered home and life."

"Establishing this ultimate relationship in our lives moves us from being a servant to living as a child or heir of God," says Chester. "It takes only a few moments to start and

will turn your life into a magnet for miracles. I invite you, therefore, to come take an intimate walk into this ultimate relationship.”
