Tango Marketing Announces Newsletter For Peachtree® by Sage Software

Edmonds, WA —July 1, 2005—Tango Marketing, LLC today announced the immediate availability of its Peachtree® newsletter, *info for Peachtree. The quarterly newsletter is a turnkey marketing communications tool allowing Sage Software® Business Partners to effectively and efficiently communicate with clients, prospects, and alliance partners.

This issue of *info for Peachtree is devoted entirely to the new Peachtree by Sage 2006®. Released in June, Peachtree by Sage 2006 offers an advanced feature set and new functionality to benefit small businesses.

Highlights of the new release include Peachtree Bill Pay, which provides businesses with the ability to pay bills electronically from within Peachtree. A new Online Banking feature allows customers to reconcile their bank accounts by downloading bank statements into Peachtree. Preventing common errors is the goal behind the new Internal Accounting Review features which runs 15 checks at any time on customer's Peachtree data looking for common accounting mistakes. Several new reports give customers an in-depth view of receivables, payables, assemblies, transactions, and customer invoices.

Tango provides the *info newsletter for more than a dozen different Sage Software products, in both printed and email formats. The newsletters are part of the Sage Software Turnkey Marketing Program making them eligible for up to 50% co-op reimbursement. Every newsletter is published in full color in both printed and email versions. Each issue is filled with product reviews, news, and tips, and is personalized for each business partner, including company logo, and contact information.
