

Got Web Host Offers First Month Free On All Virtual Hosting Packages

For Immediate Release

Wheatfield, IN

July 6, 2005

Got Web Host <http://www.gotwebhost.com> is now offering the first month free on both basic virtual hosting and SEO virtual hosting packages effective immediately and running through July 13, 2005. Additionally, the setup fees will be waived on all virtual hosting plans through July 13, 2005. While the one free hour of SEO consultation will still be provided on the SEO virtual hosting packages, it will not be provided until your first paid month. This offer may not be combined with any other specials or discounts.

In an effort to provide web hosting for everyone's needs, Got Web Host is now providing virtual hosting plans for as little as \$10 a month, with multi-tiered, and dual datacenter options available.

Got Web Host provides SEO web hosting plans for companies concerned with Google's host crowding penalties associated with search engine optimization. Got Web Host now offers Multiple Class C IP's to their users. Many companies specializing in SEO have requested or search for hosting that provides this type of service, we bring it to you with many different packages.

Some of Got Web Host hosting plans provides the following features:

- New SEO Starter web hosting plan with 2 datacenters, 2 nameservers, 2 Class C IP's.
- Virtual web hosting plans ranging up to 15 IPs, 15 individual Class C IP's and multiple or private nameservers. Multiple data centers are available.
- Dedicated servers with up to 50 IPs, with up to 10 individual Class C Subnets and multiple private nameservers.
- Customized packages with up to 33 Class C subnets are available upon request.
- Dedicated Streaming Servers with either BTN or multi-tier one lines.

About Got Web Host:

Got Web Host has been hosting websites since 2002. As times change, hosting needs change as well, to which we strive to bring the best hosting solutions to meet these changes. Multiple Class C IP's are difficult, if not impossible to find with most hosting companies. Many simply can not provide multiple dedicated IP's. Got Web Host now offers Multiple Class C IP's to their users. Many companies specializing in SEO have requested or search for a web host that provides this type of service, we bring it to you with many different packages.
