Pricebookers.co.uk Launches New Travel Search Service, Compare Flights, Hotels and Car Rentals in Fewer Clicks and Less Time

Pricebookers.co.uk launches its online search service. The site allows visitors to enter their travel itinerary once and search many flight, hotel and car rental options from leading UK travel websites.

London UK (PRWEB) August 2, 2005 -- PriceBookers is a UK travel search tool. This innovative new service enables travelers to search travel websites and book deals in less time and fewer clicks. Visitors simply enter their desired travel details once and click to search from over 20 leading travel websites.

"With the addition of PriceBookers, consumers can make a more informed choice when it comes to their travel requirements" said Robert Chamberlain, Managing Director of PriceBookers. "This new service makes locating travel deals easier".

Benefits of the PriceBookers search service include:

- **Saves Time:** Enter the information only once and the tool allows users to search multiple travel sites, resulting in fewer clicks
- **Saves Money:** Offers a variety of search options including package deals and holiday specials.
- **Wider Selection than current booking engines:** For cheap flights, the site provides links to search major airlines such as British Airways, Virgin Atlantic and Singapore Airlines. Search options are also provided for major hotels, package deals and car rental providers.

PriceBookers is a free service for consumers. It enables travelers to compare a wide variety of leading companies from the one site. The site is owned and operated by AirfaresFlights.co.uk (<http://www.airfaresflights.co.uk>), a comprehensive flight-only travel portal for UK consumers - listing specials for travelers with more flexible plans.
