

ScrapSMART.com releases two CDs: “Vintage Holiday: Christmas, Chanukah & New Years” & “Christmas Fun” to make creating scrapbook pages, cards, and holiday gifts fun and easy.

Rochester, New York August 26, 2005

From Santa Claus and Chanukah menorahs to vibrant red poinsettias and winter sledding scenes, the selections of scrumptious designs on the “Vintage Holiday: Christmas, Chanukah and New Years” and the “Christmas Fun Family” CDs helps create festive, entertaining, and fun-tastic holidays for adults and children.

“Using computers for scrapbooks, cards, and crafts is both a creative and educational experience”, said Reenie Feingold, founder of ScrapSmart.com and designer of the CDs. “It helps foster ideas, inspire creativity with design, and emphasizes computer skills. What could be a better way to have fun, while creating and keeping memories”.

Relive the beauty of holidays past. The “**Vintage Holiday**” CD has a collection of famous vintage and Victorian designs to enhance the photos in scrapbooks, create memorable gift tags, and more. Need holiday and party invitations or cards with matching envelopes? Use the ready-to-print cards or see the gallery of card ideas with templates and easy step-by step instructions. All the designs come in full-color, blue-tone, and sepia-tone ready to personalize with hand-coloring techniques and embellishments.

The “**Christmas Fun Family**” CD includes idea-packed crafts for everyone. Children will enjoy writing letters to Santa, the coloring-book pages, connecting-the-dots, paper dolls, and craft projects. The cut & fold nativity scene, Christmas village, gingerbread house, and finger-puppets, are sure to fill the house with Christmas spirit. All the designs print in full-color and black & white.

Save money and stop the holiday run around. Print gift tags, Christmas dinner place cards, Christmas cards, thank-you notes, stationery, folding ornaments, recipe cards, and window clings from the CD. Print on fabric to make or embellish kitchen towels, pillows, wall hangings, clothing, vests, and other unique holiday gifts. The CD offers creative ways to create tradition and preserve Christmas memories. Let the creativity begin!

Every image comes as a Microsoft Word Template and in Jpeg format. Personalize the designs with text or photos using the Microsoft Word Templates. The Jpegs make the designs easy to resize and manipulate in other graphics programs. There is no software to learn or install! Print on fabric or paper. For PC or Mac. Fun and easy for children and adults.
