Coastal Vacations is **a membership that you can use for the rest of your life**. Why spend tens of thousands of dollars elsewhere when you can book the same accommodations at wholesale and most importantly when and where you need them? Why pay \$300 to \$600 a year for maintenance and exchange fees on a timeshare when you can enjoy the same benefits for only \$89.95 a year (optional annual renewal fee due at the end of your first year) through Coastal Vacations?

The following resort properties **usually** rent for up to \$1800 per week. Below are some sample prices for 1-week stays at these resorts offered by Coastal Vacations:

VACATION QUESTIONS & ANSWERS

Q. Are these vacations genuine? How can they do this?

A. Absolutely genuine. Resorts as well as marketing companies have been selling similar vacation packages for **25 years**, generally selling them for much higher prices. Nearly all hotels, resorts, cruise lines, etc. have vacancies on an ongoing basis. They find that participating in Vacation Package programs is a viable form of “advertising” to bring in guests—who obviously then spend money in their bars, restaurants, shops, etc. Then they return home to tell their friends about the marvelous time they had! Complimentary trips have long been a mainstay for travel agents. Today, many savvy travelers use promotional packages such as this for **all** their vacations, saving thousands each year. After all, who visits an empty hotel or resort?

Q. Are there expiration dates on the various offers?

A. The first two free vacation certificates that come with your package are good for one year. All the other free vacations are good for one year **after** the date you mail in the voucher to activate that particular vacation. The travel discount membership cards that come with your Level 1 package can be renewed as a group for only \$89.95 per year. Many regular cardholders who deal directly with the companies we represent pay from \$50 to \$139 a year to renew a single card!

Q. Are these associated with a Timeshare Presentation?

A. NO! This is not a timeshare program! This program is Usually Sold Exclusively by Resort Properties for \$2,500 and more to timeshare presentation participants who decide not to buy a timeshare, but still want the benefits of timeshare ownership. This is even better!

Q. Are the individual vacations and airline discount coupons transferable?

A. YES!! Most families simply could not take advantage of all of these great vacations, so why not pick the ones you want the most and then share the rest with family and friends. The membership cards (issued in your name) are not transferable.

Q. How far in advance must we make our reservations?

A. Plan ahead as you would for any major vacation choosing several preferred time periods. Through your club membership you will also have access to “shorter notice” trips at huge discounts for cruises, vacations and condos worldwide that are not sold out.

Q. Are there restrictions on when we can travel?

A. Generally speaking, the package vacations will not be available during the heaviest peak season or major holidays. Most providers will ask you to submit three choices as to when you’d like to travel—and nearly always accommodate. With so many available destinations, you should be able to travel almost anytime you wish.

Q. With such great bargains, can I resell some of these individual vacations?

A. No. These are promotional vacations and not to be individually resold. But you **can give away** some of the trips to others! You might even “donate” a vacation to a non-profit organization or school raffle! If you own a business, reward your best employees! Or use some of the vacations as incentives to increase sales of big-ticket items.

Listen To What Coastal Vacations Clients Have To Say!

The Coastal Vacations Travel Package is the most **AMAZING** of its kind in existence today! The value is incredible and always being increased. But don't take our word for it; read what a few of our Product Customers from around the world have to say:

From a Scuba Diving & Ski Shop:

"I immediately saw the value of this package with my advertising. I started using the package to use free vacations to bring clients in for Scuba instructions and certifications. Thanks Coastal." – Brian

From a Client's trip to Hawaii (Kauai):

"The Resort was fabulous, the view of the ocean and the surroundings were great. We went on a movie tour, we were at the gates of Jurassic Park, we were at the river and swung on the rope Harrison Ford swung on in the movie 'Indiana Jones' and in the field where they filmed 'Outbreak'. The people at the Resort were very friendly and helpful, THANK YOU!" – Rich & Denise

As a Coastal Member Rich & Denise stayed at the Kauai Coast Resort for one week in a two bedroom suite at a luxury resort for only \$695. Non Coastal Member price; \$2,900! A savings of \$2,205.00! With the purchase of a Level I Package they still put \$910.00 in their pocket and have a lifetime of travel yet to use!

From a Window Replacement Company:

"I operate a window replacement company in Ohio, and have serious competition in the window industry. An Independent Rep. called on my company and set an appointment. Realizing how I could become different than my competition, purchased the package the same day, and will now use this to give away vacations to all of my clients purchasing windows. This will be a sure way for leverage over my competition!" – Dave

From a Client's trip to Orlando, FL:

"We just wanted to Thank You so much for all of your help with Coastal and our honeymoon plans! The Vacation was fantastic; we really didn't want to come home. We loved the Orange Lake Resort and recommend that to any of your future vacationers. When we compared our prices to other vacationers at Orange Lake we were even happier! There is no doubt it was the greatest vacation I've ever been on and we look forward to doing it again. Thanks!!!" – Ric

As a Coastal Member Ric and his new wife stayed at the Orange Lake Resort for one week in a two bedroom/two bath suite at a luxury resort for only \$345. Non Coastal Member price; \$1,200! A savings of \$855.00!

From an Office Systems Company:

"I had never heard of Coastal Vacations before until my daughter approached me and told me about a Rep. marketing the package, and what we could use the package for. After setting an appointment with the Rep. I decided to use the vacations in the package, not to increase my sales but as a way of saying Thank You to all of our clients. We are very fortunate to already have the business. This was just an added bonus to our customers. Thanks." - Bill & Megan

From a Client's trip to Disney:

"Will and I Love to use our 'bonus' vacations in our package!" - Will & Julie

As a Coastal Member Will and Julie enjoyed a 5-day & 4-night stay in Orlando and 1 free ticket to Disney's Animal Kingdom for a Grand total of \$35.74! (No, that's not a typo)

And a 2 night stay at the Palm Plaza Oceanfront Resort in Daytona Beach Florida for \$22.78! Normally \$378 plus taxes for two nights!
