What Our Customers Say About Us...

- *"You guys are great. Our support center should learn from your team!" - Dain Hansen*
- *"Wow now this what I say customer service should be everywhere... You people are so fantastic and so fast... I can not believe I got this fast of service! You all have triple A+ with me and my home-based company." - Patricia Burnette.*
- *"Defect Tracker is an extremely versatile tool, and a bargain at the price. It has helped us track defects across a number of projects and across the globe, and as more and more people within our organization see the tool, the more they want to use it. Keep up the good work." - Owen Christy*
- *"Have I told you lately that you fellas run the greatest support desk !!! - Robyn Kall*
- *"Your website and tools are pretty neat. Your templates section is nice. I really like your bug tracking demo. That is a nice system to be all online." - Matt Pierce*
- *"You guys have been great at attending to issues personally and promptly. Thanks." - Derek Kipps*
- *"Your quick response to support demands is very admiring." - Reza Sharifi*
- *"[The new security features in Defect Tracker are] good new features that will work for a services organization like BenchmarkQA. Thank you!" - Chuck LeCount, CQA*
- *"We received a response in less than an hour. We were treated very professionally." - Joel Hartshorn*
- *"We're excited about the potential of this product [Atrium]" - Dick Anderson, RNL Design*
