to collect items for the children effected by Hurricane Katrina. I will be collecting items in the Norfolk office until December 15th. I will then mail them to Louisiana where Moms and Dads will go to a designated site, select the toys or gifts for their children, and wrap and label them. Southern Trust Mortgage will provide wrapping paper, ribbon and tape to send along with everything you donate.

If you wish to participate, please purchase or donate a toy or gift for a child 0-18 years and bring it in or mail it to our Norfolk office by December 15th:
