

boynq iCube™ speaker & dock® for iPod®

Why iCube?

The iCube stereo speaker has been designed specifically to work with iPod and has been certified by boynq to meet Apple performance standards.

The iCube stereo speaker delivers exceptional sound quality at a value. No other iPod speaker on the market today delivers the same quality sound and performance in this price category.

Exceptional Sound Quality

The iCube stereo speaker is fine-tuned for optimal sound quality. It delivers big sound from a small chamber. Unlike most speakers on the market today the iCube has bass and treble controls giving listeners optimal sound control.

iCube speaker and dock supports:

- iPod (10GB, 15GB, 20GB, 30GB, 40 GB, 60GB, only)
- iPod mini
- iPod photo

*Other supported players:

- iPod shuffle
- iPod classic
- All MP3 Players
- CD Players
- MiniDisc Systems

Features

- Universal docking system with interchangeable inserts to adapt to various sizes and shapes of players.
- Treble and Bass control for optimal sound control.
- Enhanced 2 x 5W RMS full range drivers for optimal clarity.
- Connect to the computer via iPod USB or FireWire docking cable
Synchronize data and/or recharge iPod via USB or FireWire® cable.
- iPod inserts (4) to fit all sizes of iPods

Polyconcept USA
