- Are you looking to effortlessly drive more traffic to your website?
- Are you looking to effortlessly drive targeted (i.e. useful) traffic to your website?
- Are you looking to effortlessly drive targeted traffic from Australia to your website?
- Are you looking to advertise your website 24/7 throughout the year?
- Are you looking to advertise your website in an efficient manner but at very low cost?
- Are you looking to **MAKE YOUR BUSINESS RUN** at the speed of light?

If your answer is yes, Ausbanner.com is what you are looking for, really.

With Ausbanner.com you can **effortlessly and cost effectively drive good quality, useful and business enabling traffic** to your website; traffic that will make your business run faster than you would have ever imagined.

Here's a synopsis of features and benefits of advertising on Ausbanner.com.

## **Rake in millions by announcing your business to millions**

Being able to sell is the key to the success of all businesses (your business included). To be able to sell your products or services, you first need to spread awareness about your business. This is exactly what Ausbanner.com does through its advertising pixels. All the attention that Ausbanner.com receives will translate into attention for your ad on Ausbanner.com. So, if 1 million people visit Ausbanner.com, your pixels and links will also be viewed by 1 million people.

## **24/7 advertising that gets you clients even while you are asleep**

Ausbanner.com is like an untiring sales team that is busy promoting your business all the time, even when you are fast asleep. Your pixels will be advertised all throughout the year at all times. It doesn't matter if it's night or if it's a holiday or whatever, people will be visiting Ausbanner.com and viewing/clicking your ad and links.

## **Effective advertising that leads to profits**

Not just advertising but profit-earning advertising is what you will get from Ausbanner.com. You will get useful and targeted traffic, not just any traffic. Besides international exposure, we will also provide targeted traffic from Australian users. Just add your business to represent a specific region on the Australian map and you are ready to receive profit oriented traffic.

## **Save on advertising costs**

A small, one time fee will cover full year worth of effective advertising. No more hassles with monthly advertising fee or per click advertising fee. Just pay this small, one time fee and move to concentrate on your business while we send potential customers (high traffic) your way. Thus you get huge savings on advertising costs (which you can calculate by yourself).

### **Free bonus to further propel your business**

Ausbanner.com will constantly and consistently endeavour to improve the page ranking for your website. We will achieve this by search engine optimisation (SEO) of Ausbanner.com. SEO will lead to higher page ranking of Ausbaner.com which in turn will result in higher page ranking of all the sites that Ausbanner.com links to (including yours). A higher page ranking will mean that your website will feature more often among the top few search results displayed by the search engines (and hence further increase traffic to your website).

### **Free support and analysis to maximise benefits**

We are committed to providing you with all the help and support that you need to maximise business benefits from your pixel ad on Ausbanner.com. Moreover, you can yourself analyse reports and customize your pixels for maximum benefits. And all this is available just at the click of mouse (and it's all included in the one time fee).

### **30 seconds is all it takes to ensure high business targeted traffic**

It's just a 3 step process that takes 30 seconds:

1. Click on the 'Create New Account' link
2. Provide basic details like name, email-address
3. Click on the link in the email that we instantly send to you to confirm your account

There you are; all ready to rock. You can choose, order, pay & customize your pixels; all at the click of mouse.

So, buy pixels on Ausbanner.com pixel board, place your catchy pixel ad and see the traffic to your website soar high and scale unprecedented heights. **Remember that this is not just 'Website Traffic' that is no use. It is high quality targeted traffic that will give a big boost to your business.**
