

Does it seem like you can never get the same answer regarding stormwater compliance from the regulator, technical, legal, and construction communities?

Now You Can!

Stormwater Workshops, LLC presents a one-of-a-kind educational experience. Brought together for perhaps the first time are a cross-section of experts and industry leaders from across the country to present, demonstrate and openly discuss the sensitive topic of stormwater compliance.

Summit Highlights: 7 great reasons to attend the National Stormwater Summit

- **NPDES Stormwater Training: Get Trained!** Your job responsibilities require NPDES training. Why not receive your certificate from a group of nationally acclaimed instructors.
- **Experts Roundtable: Get Involved!** Our Industry experts will combine with the local and state regulators to answer your most pressing questions in what promises to be a riveting risk management panel discussion.
- **Site Tour & Demonstration: Get Hands-on!** See the latest BMPs in action on the job site (transportation provided)
- **The EPA Perspective: Get Answers!** Listen to what the EPA and your state has to say about your own stormwater compliance requirements.
- **The Challenge: Get Motivated!** Jeff Conley, the award winning motivational speaker, will present a timely message on teamwork.
- **Lasting Experience: Get Value!** We'll buy your breakfast, lunch and also provide you a comprehensive reference manual (including all presentations, materials, state regulations, and even merchandise discounts).
- **The Guarantee: Get a Guarantee!** The National Stormwater Summit is so confident in the extraordinary educational value we offer a 100% money back guarantee.
