**Micro Technology International of Gaithersburg, MD Continues  
Expansion with Sales and Distribution Agreement with Zones Inc.**

Gaithersburg, MD (January 15, 2006) - Mark Manesh, President and CEO of Micro Technology International, Inc. (MTI) announced today that it has signed a sales and distribution deal with Zones Inc. of Auburn, Washington.

“Zones has been looking for a proven, stable POS solution for the SMB (small medium business) market and we are pleased to have found that partner in MTI,” said Sean Hobday, EVP Sales for Zones. “MTI is a proactive solutions provider who complements Zones’ strengths in services and sales.”

Zones, Inc. is a single-source direct marketing reseller of name-brand information technology products to the small- to medium-sized business market. Zones offers more than 150,000 products from leading manufacturers including 3COM, Adobe, Apple, Cisco, Epson, HP, IBM, Kingston, Lenovo, Microsoft, Sony and Toshiba.

“MTI is very happy to have Zones as a Reseller,” said Mark Manesh, CEO of MTI. “It is a five billion dollar market for retail management system that Zones is targeting and we look forward to assisting them in reaching their goals of having a real presence in the Retail Point of Sale market.”

Zones will resell MTI’s five software offerings which include: PLATINUMsupermarket™, PLATINUMretail™, RETAILenterprise™, Merchant’s Watchdog™ and WWWorldStore™. Zones will also provide hardware integration and installation services for the end-user and MTI will provide post-sales support and service on the software solutions.

**About Micro Technology International, Inc.**

For over twenty years, MTI has delivered innovative, award-winning software products and superlative service to thousands of customers in the Retail and Supermarket industries. Originally founded in 1982, Micro Technology International is based out of Gaithersburg, MD, the heart of the Washington – Baltimore “Technology Corridor”. Currently, MTI has offices in the USA, Caribbean and Latin America.
