This race is about teams, competition, luxury, winning, and being the best of the best. This is a real adventure travel tour in a safe and friendly environment.

Twelve teams of two people, related by friendship, work, love or family, will race around Australia. They will have no idea where they are going, what dangers and challenges they'll face or how the journey will affect their lives.

The teams are competing for the ultimate prize; an extreme luxury Australian adventure tour to the value of AUD\$33,000!!!
