

Registering for Essentials of LEED Professional Accreditation

System Requirements:

This course requires Microsoft Internet Explorer 6.0 or newer on Windows XP. This course DOES NOT work with Firefox, Safari, Netscape or any other browser, and on other platforms, such as Mac OS X or Linux.

Terms:

Once purchased, you will have 60 days access to this course. You will also receive an email confirmation with instructions on how to access the course or you can go to:

<http://www.usgbc.org/myusgbc/webtraining>

Go www.usgbc.org's [Products and Services page](#). There, you will need to log in to the site. (See highlighted areas below.)

If you are a **registered customer**, log in to the site.

If you are a **new customer**, click [Register](#) now, and complete the registration form.

NOTE: In order to receive the company member discount price for this course, you **MUST** have corporate access added to your account. If your company is a member and you do not have your company's corporate access, please email membership@usgbc.org before making your purchase.

Once you are logged in, from the left pane, click Workshops/ Web-based Learning/ Essentials of LEED Professional Accreditation (as shown below).

1

The screenshot shows the myUSGBC website interface. The top navigation bar includes links for About, Membership, LEED, Education, Chapters, News, Resources, and Events. Below this is a secondary navigation bar with Products & Services, Your Shopping Cart, Your Resources, Your Account, and Log off. The main content area is titled 'Products & Services Catalog' and contains introductory text and a note about corporate access. The left-hand navigation pane is expanded to show 'Workshops' highlighted with a red box. The right-hand sidebar contains 'Saved Items' and 'My Shopping Cart' sections, both showing 0 products.

2

The screenshot shows the myUSGBC website interface. The top navigation bar and secondary navigation bar are the same as in the previous screenshot. The main content area is titled 'Workshops' and contains detailed information about the LEED Rating System and training courses. The left-hand navigation pane is expanded to show 'Web-based Learning' highlighted with a red box. The right-hand sidebar contains 'Saved Items' and 'My Shopping Cart' sections, both showing 0 products.

3

The screenshot shows the myUSGBC website interface. The top navigation bar and secondary navigation bar are the same as in the previous screenshots. The main content area is titled 'Web-based Learning' and contains information about new web-based learning courses. The left-hand navigation pane is expanded to show 'Essentials of LEED Professional Accreditation' highlighted with a red box. The right-hand sidebar contains 'Saved Items' and 'My Shopping Cart' sections, both showing 0 products.
