Summary:

For more than a thousand years, the Box of Whispers has guarded the most precious treasure in the Land of Een. But when the Box is suddenly stolen, young Kendra Kandlestar finds herself swept away on a magical adventure where doors speak in riddles, plants cast spells, and strange creatures lurk in every shadow.

With only a handful of enchanted carrot seeds to help her, will Kendra be able to face these dangers and find the fabled chest? There's only one way to find out: peek inside the Box of Whispers and enter a world of magic, monsters, and mystery.

Lee Edward Födi, lives in Vancouver, Canada, where, when not writing or illustrating for his own books (or others), he is the main facilitator and mentor for Dream Workshop, a program designed to unleash the creative energies of children. A combination of fairytale, folklore, and fantasy, Födi peppers Kendra Kandlestar and the Box of Whispers with all the right ingredients to please young readers.
