"Kendra Kandlestar and the Box of Whispers" was a really great mystery for the gang to get the Box of Whispers back from the Red Thief. I really liked it when Kendra and Hi worked to get the box and open the box to defeat the Red Rgwid. I also liked it when Kendra bites the Red Thief and saves The Land of Een. This is the BEST book I have ever read. EVER and I read a lot of books. My momma says I have a mini library in my room. Hope there are more Kendra stories to come.

Note from mother Cristy Lawler (a reviewer for Reader Views):

She loved the book so much she wouldn't even put it down to read her AR books for school. I had to force her to read the books for school. Great job!!!!
