

Dear Opinion-Maker:

**W**ith a flair for melding old school talent with new school technology, artist Juewett Bostick now brings his debut offering, **IT'S NOT SO EASY** to music aficionados everywhere.

While the industry struggles to define how to merge entertainment, communication and technology into a consumer product, this information designer/guitarist has brought his musical talent to the forefront, producing and meticulously packaging his debut release, **IT'S NOT SO EASY** combines cutting-edge vision with innovative technology

The continuing theme that runs through this contemporary R&B, smooth jazz CD is relationships. Bostick has combined his jazzy guitar sounds with the well-known, classic voice of Jean Carn, the soul-wrenching sounds of consummate rhythm and blues artist, Ali Woodson, and the extraordinary vocal talents of close friend Denise Stewart.

Please contact us via the bostick **HOTLINE** at 1-888-371-7914 regarding this talented artist.
