Wanna B the Coolest Parent

Discover the newest kids birthday party craze!

I WANNA B - provides parents with a truly innovative way to host their child's birthday party. This one-of-a-kind concept is designed for kid's ages 3 to 8. I WANNA B is an indoor, career-based learning experience where playing grown up is a party!

Inside this unique party centre, children explore interactive 'job stations' that simulate real-life careers - at least some of the fun and exciting ones. For example, kids can "B" a firefighter, police officer or paramedic and participate in a pretend rescue. They can dig for dinosaurs while pretending to "B" a Paleontologist. Or, they can see what it's like to "B" a mechanic, a hair stylist, chef, a scientist and so much more.
