

Balancing Life?

Get *Dashboard Planner*™ For Families and Groups

- Plan and manage activities for your entire family or group through a simple yet powerful scheduling dashboard and communication center.
- Manage your family or group on the go from any Internet-connected computer – and even from your mobile phone or iPod®.

The screenshot shows the Mediabee Dashboard Planner interface. At the top, there are navigation tabs: Home, Community, Services, Tools, Shopping, Checklists, Entertainment, Health. Below this is a calendar view for Saturday, February 25, 2006. A pop-up window for Wednesday, February 22, 2006, is open, displaying a list of activities:

- Mary - Birthday (41)
- 6:00a - Gym
- 6:00a - Walk Bud
- 3:00p - Homework
- 3:00p - 5:00p Homework
- 3:30p - Soccer
- 5:00p - Take Colin to Karate
- 6:00p Dinner
- 7:00p - Basketball

Dashboard Planner For Families and Groups

Combines the power of the desktop, the richness of the web, the simplicity of the wall calendar, and the versatility of the day planner into one amazing package!

- Monthly planner is as easy as the wall calendar: enter "Soccer,3-4p, Kevin" and everyone's automatically updated!
- Combine the concepts of the pocket planner, job jar, and chore charts into one Day Planner. Make to-do lists for everyone in one place.
- Get plenty of space for everyone's activities on the Weekly Planner. Give every member a daily plan. Monitor progress on chores daily to reduce stress build-up
- Deal with school notices and homework schedules instantly. Share your efforts with the community easily so neighbors and friends can help each other get better organized.
- Get instant access to contacts, and one-click driving directions. Maintain a daily journal.
- Merge custom news headlines with your photos, events, and tasks on the home page. Access rich weather forecasts, alerts, radar, and satellite quickly.
- Send a grocery list to your spouse's email or cell phone quickly.

Address book, Maps & Directions...

Photo Player, Weather, and more...

- Access from multiple computers at home, or using a browser or phone from outside.
- Synchronize with other tools easily. Get email and cell phone reminders.
- Ideal for nuclear families, extended families, step families, entrepreneurs, small businesses, and small teams.

"When it comes to organizing tasks and assignments...this app is a sensation!"- *The Jerusalem Post*

"I am in love with Mediabee! I'll ... spread the news to all the busy moms out there!"- *Stephanie R.*
