Executive Blueprints

~ Blueprints for success ~

How can you hope to hit your target if you do know what it is?

What makes us Special?

Results Oriented Training

- ✓ Establish Training Objectives – Focus on Results
- ✓ Customized Training Materials - Promote YOUR organization
- ✓ Interactive Workshops - Get people involved
- ✓ Follow-up – Remind, Respond, Reinforce and Measure Results

Other training programs are "Time Based Activity", acceptance is measured by attendance.

Training workshops from Executive Blueprints are designed to engage the individuals, promote the organization, and follow-up afterwards to reinforce and measure results. We measure results based on the ongoing performance and success of the individual participants.

Results Oriented Business Consulting

- ✓ Establish Objectives First, and Focus on Results
- ✓ Customized Materials for YOUR organization
- ✓ Training and Communication – You are Part of the Process, so you know what is happening at all times, and you understand HOW the results are delivered
- ✓ Follow-up – Remind, Respond, Reinforce and Measure Results

Consulting Services from Executive Blueprints are designed to provide a roadmap for success with specific objectives, timeline and measured results. The results, improved revenue or decreased cost, offset the cost of the consulting services as your Return on Investment.

You have the option of being a part of the process, or collecting the documentation regarding the process, so you retain the intellectual capital of HOW the results are delivered.

Results Oriented Coaching

- ✓ First Establish Objectives – What do you want from the experience?
- ✓ Utilize Training Materials for Personal / Organizational Development
- ✓ Challenge and Pursuit – Coaching is designed to challenge you to achieve your full potential, more than you currently believe is possible

Executive Blueprints utilizes experienced professionals to deliver the personal and organizational development coaching. Executive Blueprints Training Programs are included as tools to augment the coaching process.

In addition to being supportive and understanding, the purpose of our coaching is to challenge individuals to achieve greater potential. Our coaches reflect individual talent and skills. Then demand excellence as measured by personal objectives. You achieve more.

How do I get started?

This is the easy part – just call or send an email

Toll-Free (877) 290-2503

Or Email info@ExecutiveBlueprints.com

Then what?

Then we schedule a time to talk with you about your goals and objectives. We are committed to helping you achieve results. It is our job to understand the results that you desire, to develop a plan, and to give you a proposal for the training, consulting or coaching that you require.

Then you can accept the proposal, make suggestions, modify or adjust it, or you can choose an alternative solution.

There is no charge, no commitment and no investment until we mutually agree on a plan for results. The initial consultation and proposal are risk free, no obligation.

We believe in you, and it is our responsibility to give you the proposal that you need to believe in us. The first step is that one phone call.

Call Executive Blueprints today to schedule your free consultation. We can begin immediately and work with you to develop your personal Blueprints for Success!
