

Associations are a powerful resource for building and expanding networking and business opportunities, finding jobs, evaluating goods and services, and researching trends or publications. Our directory puts you in direct contact with these organizations.

The Directory of Associations is a comprehensive source of information on associations and professional societies. We provide detailed information on business and trade associations, non-profit organizations, chambers of commerce, and other charity and community associations throughout the US.

Information includes the following:

- Organization name and address
- Key contact name and title
- Phone, Fax, URL and E-Mail
- Membership statistics, Staff Size
- Description of services
- Publication, meetings, conventions, seminars
- Non-profit or For-Profit status, SIC Code

Features and Benefits:

- All data comes in comma-delimited, Access, and Excel formats, and imports into virtually any application.
- Search, browse, and download the latest data using our powerful online interface.
- Database updated continuously, for the most accurate data available anywhere.
- Data exported the day you order; shipped 2-Day Air
