JobOps to Present Paper about Lean Manufacturing at Insights 2006

JobOps Job Management Software Helps Organizations Realize Lean Manufacturing Benefits

Minneapolis, MN, April 19, 2006—JobOps, a Job Management Software solution that integrates with the award-winning Sage MAS 90 and Sage MAS 200 ERP systems, will be a featured speaker at the Insights Business Partner Conference. Stacy Longton, the company's channel sales manager for JobOps will present a speech about Lean Manufacturing and JobOps on Wednesday, May 10, 2006 at 1:15–2:15 Eastern Standard Time. The conference is being held at the Gaylord Opryland Hotel in Nashville, Tennessee from May 8–10, 2006.

In the presentation, Ms. Longton will discuss how businesses can cut the fat from manufacturing operations and manage their workflow more effectively by applying lean manufacturing principles.

JobOps is the platinum sponsor for Sage Software's 4th annual Insights Business Partner conference and will be exhibiting in its own booth. Insights is Sage Software's major event for business partners in the U.S. JobOps has over 50 resellers in the U.S. and will network with other Sage Business Partners who are seeking innovative solutions and strategic alliances at the event.

About JobOps and Synergistic Software Solutions
