RE: Permission to Use Images

To Whom It May Concern:

Anyone in the press community has my permission to use images of Jennifer Sciole in relation to the Press Release issued on April 19, 2006 regarding her role in the motion picture "Political Engagement." In addition, you may contact me for permission to use her images in other publications/websites- we do not charge for the images; just want to make sure they are used appropriately. You may copy the images from her website, [www.jennifersciole.com](http://www.jennifersciole.com), or call or email me to request a jpg file- [darren@rtgtalent.com](mailto:darren@rtgtalent.com).
