THE TAMARAC VETERANS AFFAIRS COMMITTEE

The Tamarac Veterans Affairs Committee is proud to host this evening's Veterans Assembly. Tonight's event marks our seventh event of this kind. The Committee thanks their guest veterans' organizations for their part in this evening's program and also thanks the veterans who have come to this year's Veterans Assembly.

The Tamarac Veterans Affairs Committee is a group of local veterans that provides volunteer community service to veterans in need. Member organizations include the American Legion Post #265, the Jewish War Veterans of the U.S.A. Post #519, the AMVETS Post #2, Military Order of the Purple Hearts Chapter #674, Marine Corps League - Tamarac Detachment 755, the DAV Chapter #73 and/or American Ex-POW's Broward/S. Palm Beach Chapter.

Commanders of each post, or their representatives, serve on the Tamarac Veterans Affairs Committee by appointment of the City Commission. The Committee promotes awareness among veterans of their rights and benefits, lends assistance with special needs and works to encourage public awareness of the veterans' role in the history of the United States.
