

eDynaQuote helped Blair keep a lid on container costs.

Copier paper. Corrugated items. Janitorial supplies. All things your business needs to operate, but not always the kind of purchases you need to spend a lot of time on. eDynaQuote can help.

With an online reverse auction through eDynaQuote, you choose the best quote from pre-qualified vendors. You decide on the price, service, quality and delivery. Never used e-sourcing before? Our specialists will provide training, or manage auctions for you. Either way, e-sourcing through eDynaQuote will help streamline your business process, hold down costs and save money.
