The California Historical Radio Society (CHRS) was founded in California in 1974 as a 501(c)(3) educational non-profit corporation (Federal Tax ID # 23-7451417) for "the preservation, restoration and presentation of radio, radio broadcasting and radio history." CHRS is restoring the historic KRE radio station building at 601 Ashby Avenue in Berkeley to serve as a radio museum and educational center for radio and radio history, with a recording studio, vintage radio repair shop, amateur radio station and more.
