New Bath Mats

NEW TURTLE MAT - BATH MATS for drier feet and floors!

Isn't it a great feeling when you've just stepped out of a relaxing bath or invigorating shower. Now you can enjoy that moment even more thanks to our new range of Turtle Bath Mats. They actually absorb water as you stand, so the soles of your feet feel cosy and dry in an instant.

Anti-slip and non-marking

Our new Bath Mats come with a heavy anti-slip backing, for extra peace of mind. Like our traditional doormats, they're machine washable and guaranteed for five years and they won't mark or stain hard floors, even pale marble, limestone or Amtico.

Candy Stripe

This brightly coloured mat looks sweet in any colour scheme, and makes soaking up the splashes seem like child's play.

Bath

No guesses where you should use this mat. When you step on its absorbent tufts, another word might spring to mind - 'dry'.

Hampton Stripe

These 'New England' style stripes are ideal for nautical-themed bathrooms and leave your feet feeling ship-shape.

Cotswold Stripe

With its sophisticated 'heritage' colours and moisture-trapping tufts, this mat brings old-fashioned luxury to classic bathrooms.
