

Compass CRM™ for Fundraisers

End-to-End Solution for Fundraising and Donor Management

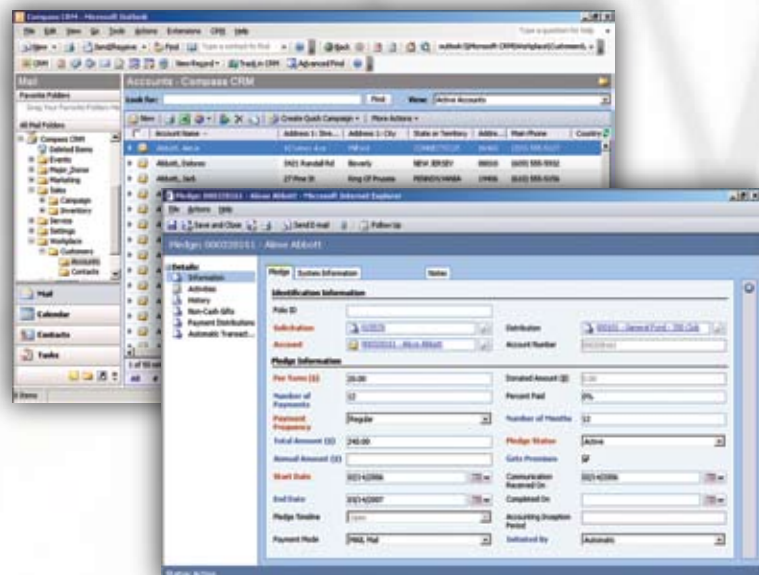

***Building Relationships.
Delivering Performance.***

Compass CRM™ for Fundraisers is a complete donor management and fundraising solution built entirely on the Microsoft® Dynamics™ CRM 3.0 platform, and delivered in the familiar and intuitive Microsoft Office/Outlook work environment. It is a comprehensive solution that empowers nonprofit organizations to:

- Manage donations, pledges, and gifts
- Meet revenue goals
- Manage donor relationships
- Create fundraising campaigns and solicitations

Add Compass Technology's years of fundraising expertise and product knowledge with Microsoft tools and technology, and the result is the most comprehensive fundraising CRM solution in the marketplace. **Compass CRM for Fundraisers** is the end-to-end solution that brings together the primary donor-facing activities of fundraising, marketing, and service.

Microsoft
GOLD CERTIFIED
Partner

Compass CRM™ for Fundraisers is the only end-to-end solution for fundraising and donor management that runs entirely within Microsoft® Outlook, making it familiar and easy to use.

Compass CRM™ for Fundraisers is built on Microsoft® technology adopted by millions of users worldwide and backed by billions of dollars in R & D and support. Organizations can leverage their existing technology investments while wisely ensuring that future stability and upgrades are available. **Compass CRM for Fundraisers** addresses FASB 116-117 reporting requirements and delivers the fundraising CRM solution that:

Works the way you work

- The only CRM fundraising product delivered in the familiar Microsoft Outlook environment
- Seamless integration with Word and Excel

Works the way your organization does

- Designed specifically for fundraising organizations
- Adapts to individual organizational needs

Works the way technology should

- Streamlined installation, enhanced diagnostic and troubleshooting tools
- Easy to manage
