What is the VPSpro™ Advisor Network?

The VPSpro Advisor Network is a group of professional business people that want to see business in your region succeed and flourish. These professionals are prepared to provide free information from their area of expertise to new or expanding business people, to assist them in their ventures. The advisors are accessible to any business or budding entrepreneur through the Venture Planning System Pro online financial analysis and business plan software located at www.VPSpro.com

How do I find the right advisor?

Your Geographic Location:

To find an advisor in your area you first need to create a "business plan account". You will be prompted to select the location of your business. By setting up a business plan account you are able to access the advisors in your area directly as you are planning

By Business Category:

The VPSpro has categorized the advisors by categories to make it simple for you to find the right advisor. You will see advisors that are available in your region as you progress through the VPSpro business plan software. These advisors will be displayed in the ad areas that are strategically placed around the forms area on each page in the planner. By clicking on the advisor ad a pop-up screen will give you information on that advisor and any other advisors that are listed for the page that you are on and the information you may require.

Sounds complicated? It is not! We have done all the work to make it simple for you, just follow our simple guide system through the process. Information is pre-sorted by into 135 different business categories that are designed to match the required information on each planner page.

How do I know if I have the right advisor?

Once you have viewed the advisor photo ad you can select that ad and you will be taken to a special biography page where you can read more information about the advisor. The advisor contact information will be listed as well as the best time to reach them. Try them out to see if they can provide you with the information that you need.
