WITH A LITTLE BIT OF...

PROJECT: HEART & SOUL

TO BENEFIT STUDIO BY THE TRACKS

IN BIRMINGHAM, ALABAMA

Studio by the Tracks is a non-profit organization in Irondale, AL, which offers free art classes to special needs adults and teens, particularly ones with autism, and at-risk youth. They give these people a creative outlet in a supportive and non-judgmental environment. This is a fantastic charity that has grown near and dear to our hearts.
