Endeavor Commerce and Sage Software Enter Into Premier Partnership

SmartCatalog to be marketed and sold with Sage CRM SalesLogix

DALLAS, TX – July 27, 2006 – Endeavor Commerce announced today that it has been named a Premier Solutions Partner by Sage Software. Effective immediately, Sage Software, the leading supplier of accounting and business management software to small and mid-sized businesses, has added SmartCatalog for SalesLogix to its price list allowing Sage CRM Solutions business partners to sell the suite of quote and order management solutions to prospects and customers. Sage CRM Solutions Premier Solutions Partners develop solutions that expand the automation of specific business processes and database administration capabilities within a user's Sage CRM, SageCRM.com or Sage CRM SalesLogix system.

"Many of our customers are salespeople, and just about every salesperson I know processes quotes and orders on a daily basis," said Bob Neeser, vice president of sales for Sage CRM Solutions. "Aligning with Premier Solutions Partners such as Endeavor Commerce brings even greater value to our customers, who can benefit from the easy integration of Sage CRM SalesLogix with SmartCatalog to enable enhanced quote and order management functionality."

SmartCatalog enables companies to increase revenues and profits by making the quote to order entry process fast, easy and 100% accurate. It is an ideal solution for companies that sell complex products and services. Whether the need is to add a sales configurator to Sage CRM SalesLogix or deploy an integrated eSelling system, there is a SmartCatalog solution now immediately available through the Sage CRM Solutions partner sales channel.

Sean Myers, CEO of Endeavor Commerce added, "This partnership is a true win/win/win. Sage Software's customers will have direct access to a solution that will help them increase revenues and profits. Consequently, Sage will add significant value to their customer relationships because they will be helping to solve a common business problem in exceptional fashion. Additionally through this partnership, Endeavor has an opportunity to broadcast its '*making the complex sale simple'™* message to a much larger audience. We look forward to the success that Sage and Endeavor will realize together."
