THANK YOU, GOOD NIGHT

It's April 1994. The Handy Kaufmans, New Jersey's foremost underachieving rock band, are about to embark on one final tour. Either they make it big this time, or they resign themselves to a life of 9-to-5 mediocrity. Lee their drummer, is a control freak and being pushed out by his retiring parents. Donnie lead singer and compulsive lothario, and Big Frank, the incompetent but gold-hearted manager, are always causing mischief. Mike, the chief songwriter, tries to emulate the tortured-artist lifestyle of the icons he idolizes. When their bassist, Jim, electrocutes himself in a drunken pissing contest, the band is joined by last-minute replacement Trixie, a wild beauty and bassist who sparks up Lee's dormant romantic instincts. Will they be able to overcome themselves in their quest to make it to the final gig? Join the Handy Kaufmans as they take a tour of fun, hijinx, and heart on the road in this high-spirited independent rock n' roll comedy.
