

POWERONE

2nd Annual CHARITY GOLF TOURNAMENT

October 7, 2006 - 7:30am
Deer Island Golf Club
Tavares, FL

The Technology Fund

For all the technology-hungry students in Central Florida, who otherwise would not be able to continue their studies on their own, PowerOne has a solution. The Second Annual Charity Golf Tournament will raise thousands of dollars for worthy students. Together we can help them achieve their goals in the field of technology. So you can feel good about donning those fantastic plaid pants for the day. Just don't forget the hat with that little poof ball on top.

Why be a Sponsor?

You need a reason other than the peer pressure and pictures of sad, Bambi-eyed students? Well, for one thing, we will be more than happy to plaster your logo over our marketing materials. Tastefully, of course. You'll get great exposure to the community!

Did we mention there will be prizes? Oh yes, fantastic prizes! You could win a brand-new 2007 Chevy Avalanche! It's bigger than 85% of the trucks out on the market right now. We also will have tons more door prizes and other goodies to give away. Fun is guaranteed!

Come have fun with us and schmooze with all our other awesome sponsors. Not only can you win sweet prizes and get exposure, you'll feel great about giving back to the community. Plus, hello, golf. Instructions on participating are on the back side of this sheet, or simply go to www.power1golf.com to register online.
