Dashboard

The screenshot shows the Fedafi dashboard. At the top left is the Fedafi logo, which consists of an orange RSS icon followed by the text "fedafi". To the right of the logo, it says "logged in as Gary Reid, [logout](#) [Help](#) (SME License)". Below the logo is a blue navigation bar with the following links: Home, Add New Feed, Manage Feeds, Statistics, Tools, and Config. Below the navigation bar is a blue header bar that says "Fedafi Dashboard". The main content area is divided into two columns. The left column is titled "Action Menu" and contains three links: "Add a new feed", "Manage feeds", and "View statistics". The right column is titled "Latest Feeds" and contains the text "Below are the latest feeds you have added" and "To manage a different feed [click here](#)". Below this text are two feed entries. The first entry is titled "My Podcast Feed" and is described as "a feed with podcasts". It has a small orange RSS icon to its left and a list of links: "View", "Validate", "Edit", "Delete", "Statistics", "Manage", and "Add Item". The second entry is titled "Test Feed" and is described as "a test feed". It also has a small orange RSS icon to its left and the same list of links: "View", "Validate", "Edit", "Delete", "Statistics", "Manage", and "Add Item". At the bottom of the dashboard is a blue footer bar that says "Copyright © 2006 Fedafi.com. All Rights Reserved.". Below the footer bar, there is a small text block that says "Version 1.0.3 | [Licence](#) | [RSS 2.0](#) Designed and Developed by [Fedafi](#)".

Action Menu

- [Create New Feed](#)
- [Manage Feeds](#)

Create a new RSS feed

You can choose a normal feed or one that may include podcasts

If you select *yes* for podcasts you can define specific features in the input boxes that will appear. The copyright sign © can cause some problems for XML to be safe just use (C)

If this is an external feed place the URL to the feed in the 'Website Link' box, the rest of the information is for internal information only as the feed is added 'as is'.

External Feed?: No Yes

Create a new RSS item in Test Feed

This will be added to the 'Test Feed' feed, which shows the 10 most recent items added

Remember don't add HTML into the boxes, XML doesn't like it much, you can however use rich content in the item content box.

- [Stats](#)
- [Add Item](#)

Create a new podcast in 'My Podcast Feed'

This will be added to the 'My Podcast Feed' feed, which shows the 10 most recent items added

Remember don't add HTML into the boxes, XML doesn't like it much.

The duration item should be formatted as follows: HH:MM:SS, H:MM:SS, MM:SS, or M:SS (H = hours, M = minutes, S = seconds)

Also, don't use 'crappy' URL's - that's an URL with spaces or dashes in it, if you must separate words use the under-score character.
