

LEAVE NO ONE BEHIND.

Imagine a world ...

...without basic needs, like meals and
MEDICINE to sustain health...

...where families are forced to live in
temporary **SHELTERS**, in the
chilling cold of winter...

...where children cannot go to
SCHOOL, because their schools
have been destroyed...

NOW IMAGINE THIS IS REAL.

IT IS.

**Lebanon
Relief
UNITED**

Nearly one million children and their families are living in these conditions throughout Lebanon. It is up to us to restore this beautiful land, create hope for a better future through humanitarian aid and promote a unified message of peace. This can only be achieved through your kind donations.
