

Janitorial Training Programs Now Available at TheJanitorialStore.com

TheJanitorialStore.com is happy to announce the release of its janitorial training programs. The programs provide an affordable opportunity for small and individually owned cleaning companies to get professional quality training for their employees. With over 20 years of professional commercial cleaning experience, the staff at TheJanitorialStore.com has developed the "Cleaning to Perfection" series of janitorial training programs. The programs include step by step instructions on how to clean, as well as information on common complaints, how to prepare for the job, the importance of small details, a review and training log. Titles that are now available include: General Cleaning, Hard Floor Care, Carpet Spotting, Window Cleaning and the Janitorial Safety Program. The training programs can be purchased in PDF, PowerPoint or printed versions.

According to Jean Hanson, co-owner of TheJanitorialStore.com, "inconsistent training is the most common reason for customer complaints". These training programs give cleaning companies a way to provide all of their employees with consistent training, ensuring that all tasks are being completed to their customers' satisfaction.

In addition to training programs, TheJanitorialStore.com has other quality products to assist cleaning company owners become successful in the business including the following e-books: *Cleaning Company Policy Manual and Employee Handbook*, *Home Office Procedures Manual for Cleaning Companies*, and *Marketing and Sales Success for Cleaning Companies*.

The Janitorial Store is a subscription web site that gives owners of small commercial cleaning companies an opportunity to share knowledge, ask questions, participate in tele-seminars, find training programs, and read articles designed just for start-up, small, and growing cleaning companies.
