DIGITAL STREET

**Plumblin** formed in the Fall of 1998, from a group of young men who love the King of Creation, love worshipping Him, and love communicating His truth through music. They banded together to evoke their brand of alternative rock to a generation that desired to worship with them.

**Plumblin** has self-produced and released three projects: *Burn*, a collection of worship songs, in 2003; *Freedom to Move*, an eight-track EP in 2002; and *LIVE: Worship* in 2001. They have sold over 30,000 albums to date and played over 700 shows across the US and internationally. Fiercely independent and reverently focused, the men of this band have taken an atypical path.

Their latest CD, the ten-song worship album *Louder Than the World: Burn II*, will be released in the fall of 2006 and is their finest effort yet, including some incredible new original songs like "I Love To Hear the Words," and "May Your Spirit Fall Upon Us," as well as their version of the modern worship classic "Grace Like Rain."
