### **VIP To Do List line v2.5 release: new tools for task tracking**

Odessa, Ukraine(PRWEB) October 17, 2006 -- VIP Quality Software releases new version of VIP Simple To Do List, VIP Organizer and VIP Team To Do List. "Version 2.5 features new task filtration system, new tools for task management within and between databases and improved interface usability".

New Filter panel allows tracking tasks by their title, priority, status, completion, assignment, due date, etc. Copy/Paste and Duplicate features let users quickly add tasks and move tasks all over the database or between various databases.

Additionally, new version enables users to do the following in a one click: change status of a selected group of Tasks, set filter on any category and sub-category by double-click, copy the database file while application is open, etc.
