Press Release Body

October 8, 2006. Dr. Pat Holliday in her new book Marriage and Sex gives new insights into the problems of divorce, sex and marriage. It will amaze you. This book concerns mythical spirits **Asmodeus** and **Osmodeus** that control all sexual activities.

Dr. Pat Holliday presents an excerpt from her newly presented book, "Marriage and Sex" as a way to show the many encounters with the Satanic supernatural forces of our times. The effect of powerful demons, are explosive and ravaging, destroying millions people's marriages.

You hardly hear preachers delivering a sermon against sexual sin. Sexual immorality is very prevalent among Christians today.

Asmodeus and Osmodeus Spirits Confuses Sexual Identity. Today, there are those who are trying to redefine marriage by marrying man to man and woman to woman. Others see no harm in having extramarital relationships. They justify their actions by saying that it helps the marriage. Marriage, as God has ordained, is the foundation of a family and families are the foundation of society. When marriages are destroyed, families are hurt severely and society eventually is affected in an adverse way. This is all part of Satan's plan to divide and conquer.

Dr. Holliday explains that she believes that marriages can be revived when people return to its principle that God gave us in the Bible. Divorce is ugly. The American family is in trouble. America will pay, and pay dearly, for this great sin of which she is guilty. Divorce. Adultery and rebellion have grown like an ugly weed throughout the country.

Demons work to break marriages. They will use both the husband and the wife through the spirit of lust. Lust seeks its own gratification. The pardoner will feel used, degraded or repulsed at having sexual contact with the spouse. Lust is not love. The wife knows when she is not being loved. Sex is actually a sacred gift from God and should be treated as precious with respect. Due

to wide spread pornographic material, many men force their wives into oral, anal and other sexual perversions, often leading the wife into deviate sex. However, in our day due to powerful sexual brainwashing by our schools, televisions, radio and media, women have, in many instances, become willing slaves to sexual demons.

The Bible tells us to “Mortify your members; put off all these sins,” (Col. 3:5,8).

Too long have we taken too lightly our marriage vows wherein we solemnly and openly before God and in the presence of witnesses promised "to have and to hold, from this day forward, for better, for worse, for richer, for poorer, in health and in sickness, to love and to cherish, till deaths do us part." It is easy for us to criticize world rulers who when an advantage is to be gained disregard their treaty obligations and speak of treaties as scraps of paper, but I am not sure but what our guilt before the Lord is equally great if we can lightly break our marriage vows.

Too long have as a nation wink at these great sins. Too long have the ministers of the Gospel refused to preach against these great sins, and to remarry those who were divorced, and whose former companions were still living. Too long have we failed to preach that divorce and remarriage while the former companion is living constitutes adultery, and that adulterers shall not inherit the kingdom of God. (Mk. 10:11,12; Gal. 5:19-21).
