

Guildford based IT recruitment company- nominated for 4 national customer service awards

24 Oct 2006 – Guildford based IT Recruitment Company, iTS European has just been announced as a finalist in four customer service awards on the UK's leading recruitment websites www.jobsite.co.uk . Candidates who are using Jobsite to locate career moves have voted iTS European as one of the best performers in 4 out of 5 possible categories – Best Recruiter; Best Candidate Communication; Best Understanding of Job Seekers Needs and Best Industry Knowledge.

Managing Director, Roger Dursley was delighted to hear the news of the company's nomination success. "Delivering outstanding customer service - to both applicants and client companies has always been an important principle for us and we are delighted to have been nominated for these awards, ahead of several thousand recruitment consultancies that are eligible for inclusion. Being voted as one of the best by our service users is the best compliment that our team of consultant's could receive.

iTS European recruits contract and permanent IT staff for companies both in the UK and across Europe. The company has traded in Guildford for 15 years and grown from strength to strength- recently acquiring their own purpose built premises off Woodbridge Road. The depth of industry knowledge of our team is immense" says Sue Robinson, Business Development Director, "Our recruiters are all experts in their field have great contacts within the industry and between them cover a wide range of European languages- from Finnish, to French, Russian and German. If you are recruiting skilled IT staff – either locally or further a field- we are always able to help".

The awards, which are in their first year, will be held on 9 November in London. The winners within each category are being selected through a culmination of feedback from over 40,000 candidates in a 12 month period.

Meanwhile the team at iTS European are not allowing the success to go to their heads. "It's business as usual" according to Roger. If you wish to find out more about iTS European's services call 01483 453381 and ask for Sue Robinson.
