

## FOR IMMEDIATE RELEASE

Ten Days Till... Get Them Hands Hi with Garageband.com

London, UK October 24th 2006 - Still fresh from celebrating their EA Sports NBA Live 07 placement of "Get Them Hands Hi", Ten Days Till... have been awarded "Track of The Day" on Garageband.com for October 26th 2006.

Ten Days Till... is the recording project formed by Trinidadian-born but now London-based producer/ writer/ remixer OD Hunte (Leela James, Slic One) and singer/songwriter Lifford - best known for his international smash hit "Please Don't Turn Me On" with the Artful Dodger.

"Get Them Hands Hi" is taken from the MusicSoulLife digital EP and album of the same name. The EP is available now from all major digital outlets. With influences such as Gnarls Barkley, John Legend, The Fugees, The Roots and Outkast, MusicSoulLife promises to be a contemporary blend of Soul, Hip Hop, R&B, Reggae, and Jazz. The album is expected to be available in the first quarter 2007.
